3.3.2 Relationship with Giroscope Staff .......... 22
3.3.3 Housing affordability and landlord profits ... 25
3.3.4 Security of tenure ............................ 28

4.0 Conclusion ........................................... 29

4.1 Limitations of the study ....................... 29
4.2 Discussion ....................................... 30
4.3 Recommendations ............................. 33

5.0 References .......................................... 35
List of Tables

Table 1  Age, gender and ethnicity of the participants
Table 2  Country of birth and first language
Table 3  Employment status and household composition
Table 4  Participants' views about their home

List of Figures

Figure 1  Length of time in Hull and in current home
Figure 2  Previous housing situation
Figure 3  Reason for leaving previous home
Figure 4  Participant rating of aspects of their home (1)
Figure 5  Participant rating of aspects of their home (2)
Figure 6  Participant perception of quality of communication & timing of repairs
Figure 7  Satisfaction with Giroscope staff
Figure 8  Affordability of housing

List of Appendices

Appendix 1  University of Lincoln Ethics Board application and approval letter
Appendix 2  Copy of the final version of the questionnaire
Appendix 3  Copy of the topic guide
Appendix 4  Copies of the information letter and consent form
Acknowledgements

The authors would like to thank the research advisory panel for their guidance and support in the development of the research instruments, the design of the study and for their comments on earlier drafts of this report. We would also very much like to thank all the tenants who gave their time to participate in the study.
