Quarterly Research Output Report, Q3 2010

1 SUMMARY

This paper summarizes research outputs published in the period July-September 2010 inclusive. For the first time, the University of Lincoln Institutional Repository (http://eprints.lincoln.ac.uk/) has been used to generate lists of substantive research outputs first appearing "in published form" (or equivalent for non-textual outputs) during this period.

The table below summarizes the volume of outputs recorded by School/Department.
