Proceedings of the Third World Construction Symposium

Sustainability and Development in Built Environment: The Way Forward

Editors: Dr Y.G. Sandanayake, Dr N.G. Fernando and Dr G.I. Karunasena

The Third World Construction Symposium 2014 held on 20 - 22 June 2014 in Colombo, Sri Lanka is jointly organised by the Ceylon Institute of Builders (CIOB) and Building Economics and Management Research Unit (BEMRU), Department of Building Economics, University of Moratuwa.

International Council for Research and Innovation in Building and Construction (CIB) is the main sponsor of the event. Glasgow Caledonian University, UK;

Liverpool John Moores University, UK; the Center of Infrastructure and Construction Industry Development and The University of Hong Kong are the associate partners of the Symposium.

The main theme of this international symposium is "*Sustainability and Development in Built Environment: The Way Forward*".

The symposium provided a special forum for academic researchers and industry practitioners to share their knowledge, experience and research funding envisioning sustainable future in construction industry.

The sub themes of the symposium covered a wide spectrum of areas such as:

- Green Buildings;
- Sustainable Urbanisation; Sustainable Construction Practices
- Innovative Green Technologies
- Sustainable Procurement Strategies
- Environmental Economics and Management
- Affordable Sustainability
- Socio-Economic Sustainability
- Sustainable Materials/Green Building Materials
- Green Rating and Certification
- Energy Management
- Legal Aspects Relating to Sustainable Construction
- Sustainable Facilities
- Education of Sustainable Construction

Availability

The proceedings are published by Ceylon Institute of Builders #48 Thalawathugoda Road, Pitakotte, Sri Lanka info@ciob.lk.

In the near future the full proceedings and the separate papers will be available free downloadable on the ICONDA®CIBlibrary.
