

3rd CIB International
Conference on
Smart and Sustainable
Built Environments
June 15-19 2009 Delft

The Scientific Board of the
3rd CIB International Conference on Smart and Sustainable Built Environments
SASBE2009

hosted by the Delft University of Technology
from June 15th to June 19th 2009
has decided, on the basis of double blind reviews by the Technical Committee
and its own assessment, that the paper entitled

**"The Role of Eco-Refurbishment in Sustainable Construction
and Built Environment"**

by the authors

Dr. Behzad Sodagar, Deepak Rai, James Murphy & Dr. Hasim Altan

has been awarded with the **Prize for the Best Paper**

On behalf of the SASBE2009 Scientific Board,

Jean-Luc Salagnac

Prof. Andy van den Dobbelaer
