
Quarterly Research Output Report, Q3 2010

1 SUMMARY

This paper summarizes research outputs published in the period July-September 2010 inclusive.

For the first time, the University of Lincoln Institutional Repository (<http://eprints.lincoln.ac.uk/>) has been used to generate lists of substantive research outputs first appearing "in published form" (or equivalent for non-textual outputs) during this period.

The table below summarizes the volume of outputs recorded by School/Department.

School	Number of Outputs
Agriculture and Land-based Sciences	0
Biological Sciences	6
Food Manufacturing and Automation	3
Art & Design	17
Architecture	3
Business	13
Law	3
Natural & Applied Sciences	9
Social Sciences	12
