
Quarterly Research Output Report, Q4 2010

1 SUMMARY

This paper summarizes research outputs published in the period October-December 2010 inclusive.

The following lists include substantive research outputs first appearing "in published form" (or equivalent for non-textual outputs) during this period. The lists have been generated automatically from data stored in the University of Lincoln Institutional Repository (<http://eprints.lincoln.ac.uk>).

The table below summarizes the volume of outputs recorded by School/Department.

School	Number of Outputs
Agriculture and Land-based Sciences	0
Biological Sciences	8
Food Manufacturing and Automation	0
Art & Design	10
Architecture	7
Business	8
Law	2
Natural & Applied Sciences	2
