

Quarterly Research Output Report, 2012 Q3

SUMMARY

This paper summarizes research outputs published in the period July-September 2012 inclusive.

The following lists include substantive research outputs first appearing "in published form" (or equivalent for non-textual outputs) during this period. The lists have been generated automatically from data stored in the Lincoln Repository (<http://eprints.lincoln.ac.uk/>).

The table below summarizes the volume of outputs recorded by College, Faculty and School.

The list of schools has been updated to reflect recent changes to the College structure (<http://lincn.eu/fiv2>).
