

Quarterly Research Output Report, 2012 Q2

SUMMARY

This paper summarizes research outputs published in the period April–June 2012 inclusive.

The following lists include substantive research outputs first appearing "in published form" (or equivalent for non-textual outputs) during this period. The lists have been generated automatically from data stored in the Lincoln Repository (<http://eprints.lincoln.ac.uk/>).

The table below summarizes the volume of outputs recorded by School/Department.

N.B. the list of Schools has been updated to reflect the new College structure (<http://lincn.eu/bm45>).
